

HIGHWAY RIB M142Z

The M142Z, TOYO TIRES' regional highway rib tire, has been developed to deliver exceptional high mileage and improved wet traction in wide segment of operating conditions ranging from short, mild on-and-off hauls to mid-distance highway hauls. Developed under DSOC II, TOYO TIRES' advanced tire design technology, the M142Z greatly satisfies users' needs in this segment and is highly competitive in low cost mileage and better retreadability.
